

# FLO Newsletter

Welcome to Mrs Wright's Monthly Newsletter, a chance to share advice, support and tips linked to adult and child wellbeing.

## Eat them to Defeat them

There has been a great buzz in the school around many of the children trying vegetables that they have not previously tried before!

We know that trying new food can be very tricky for some young people (and adults!) but please do encourage your children to try what's on offer at lunchtimes.

## The 6 Principles of Nurture

A set of values all staff follow to ensure we focus on children's social and emotional wellbeing in school.

1. Children's learning is understood developmentally
2. The classroom offers a safe base
3. The importance of nurture for the development of wellbeing
4. Language is a vital means of communication
5. All behaviour is communication
6. The importance of transitions in children's lives

## Attendance and Punctuality

Thank you for your ongoing support with your child's attendance.

It is important that we work together to ensure children are in school, learning and thriving and that children are at school on time so they feel regulated and ready to learn.

Well done to Plum for 98.51 % attendance in February!

## School Council Sale

Please do join us after school on Friday 24th April for our School Council sale with stalls including plants, toys and games, cakes, bracelets and a lucky dip.

All profits will go to our 2 chosen charities- the Kent and Sussex Air Ambulance and Idunda Primary School in Tanzania.
