The 6 Principles of Nurture

A set of values all staff follow to ensure we focus on children's social and emotional wellbeing in school.

1. Children's learning is understood developmentally
2. The classroom offers a safe base
3. The importance of nurture for the development of wellbeing
4. Language is a vital means of communication
5. All behaviour is communication
6. The importance of transitions in children's lives

Attendance and Punctuality

Thank you for your ongoing support with your child's attendance.

It is important that we work together to ensure children are in school, learning and thriving and that children are at school on time so they feel regulated and ready to learn.

Well done to Chestnut for 97.29 % attendance in November!

Careers Fair

Friday 6th February

Our popular Careers Fair is back!

Last year, the children loved learning about exciting careers and it was a wonderful chance for the children to engage with parents and even try on some outfits/equipment (and meet a Hawk!)

If you wish to have a stall at the Fair, please do email Mrs Wright. We would love to have you there!
