

# FLO Newsletter

Welcome to Mrs Wright's Monthly Newsletter, a chance to share advice, support and tips linked to adult and child wellbeing.

## Understanding Autism

Space2BeMe are holding 2 'Understanding Autism' sessions to further support parents with the diagnostic criteria and to provide a more general understanding of Autism.

Event details

Dates- 9th October and 5th November

Location- Maidstone Community Support Centre

Cost- £12.50

Please ask Mrs Wright for more details.

## The 6 Principles of Nurture

A set of values all staff follow to ensure we focus on children's social and emotional wellbeing in school.

1. Children's learning is understood developmentally
2. The classroom offers a safe base
3. The importance of nurture for the development of wellbeing
4. Language is a vital means of communication
5. All behaviour is communication
6. The importance of transitions in children's lives

## Attendance and Punctuality

Thank you for your ongoing support with your child's attendance.

It is important that we work together to ensure children are in school, learning and thriving and that children are at school on time so they feel regulated and ready to learn.

Well done to Maple for 97.7% attendance in September!

## Winston's Wish

Winston's Wish offers free, accessible online grief support to children and young people (aged 25 or under). Their services are completely digital, making them accessible across the UK.

There are also many resources available online to help parents support their child through grief.
