If you wish to book onto any of the courses above, please speak to Mrs Wright

The 6 Principles of Nurture

A set of values all staff follow to ensure we focus on children's social and emotional wellbeing in school.

1. Children's learning is understood developmentally
2. The classroom offers a safe base
3. The importance of nurture for the development of wellbeing
4. Language is a vital means of communication
5. All behaviour is communication
6. The importance of transitions in children's lives

Attendance and Punctuality

Thank you for your ongoing support with your child's attendance.

It is important that we work together to ensure children are in school, learning and thriving and that children are at school on time so they feel regulated and ready to learn.

Here's to a successful year!

Happiness

Asthma and Medical Needs

If your child needs an inhaler, please ensure there is one in school and an asthma plan has been completed.

If your child has a medical need such as an allergy or intolerance, please fill in a form in the office so our records can be updated
