Healthy Eating

As a school, we encourage healthy lunchboxes and would like as many children as possible to eat our delicious school dinners provided by Contract Dining. We actively promote low sugar meals as sugary food and drinks can make holes in milk teeth very quickly.

Over the next few terms, we will be focusing on healthy eating and how to make healthy food choices. We have some exciting workshops coming up with Contract Dining and they will be delivering a special assembly about how to eat healthily and the benefits of all of those extra nutrients!

The attached poster shows what a nutritious plate of food should look like with some delicious food ideas!

Attendance

Thank you for your ongoing support with your child's attendance. It is important that we work together to ensure children are in school, learning and thriving.

The class with the best attendance in March was Chestnut (once again!) with 96.51%.

Well done Chestnut!

You're doing brilliantly!

School Council Events

Friday 2nd May- come and break some school (appearance) rules and help raise money for the school! Please look out for posters next term. Children can break up to 5 rules, at 50p each.

Friday 16th May- please join us for a Bring and Buy Sale from 3pm. If you wish to donate good quality second hand items, please do drop them into school after the Easter break. A perfect excuse for a good Spring clean out!
