

## EYFS Curriculum Plan- Autumn Term

In Early Years we firmly believe that effective pedagogy includes a mix of approaches. A child learns best through child-initiated play where they can build important life skills such as curiosity, concentration, creativity, problem solving, use of their imagination and persistence through purposeful play experiences. We follow the individual child's lead and recognise each child's different starting points. Clearly planned and sequenced daily teacher directed time takes place, during which the adults model and guide learning. Our indoor and outdoor learning environments are conducive to high quality play and learning.

### Mathematics

- Count objects, actions and sounds.
- Subitise.
- Link the number symbol (numeral) with its cardinal number value.
- Count beyond 10.

### Understanding the World

- Talk about members of their immediate family and community.
- Name and describe people who are familiar to them.
- Draw information from a simple map.

### Communication and Language

- Listen to and discuss stories daily.
- Learn rhymes, poems and songs.
- Using full sentences when discussing their 'play and learn' time activities.

### Personal, Social and Emotional Development

- Express their feelings and consider the feelings of others.
- Think about the perspectives of others.
- Manage their own needs.

### Physical Development

- Confidently and safely use a range of large and small apparatus indoors and outside, alone and in a group.
- Further develop and refine a range of ball skills including: throwing, catching, kicking, passing, batting, and aiming.

### Literacy

- Read individual letters by saying the sounds for them.
- Blend sounds into words, so that they can read short words.
- Form lower-case and capital letters correctly.

### Expressive Art and Design

- Explore, use and refine a variety of artistic effects to express their ideas and feelings.
- Create collaboratively, sharing ideas, resources and skills.

We encourage you to support your child's learning at home too. The learning above continues throughout the year.
