# Apple Class Newsletter

## What have we been up to?

**Phonics** learning this week has focused on consolidating the sounds h b f ff. Our **Further Reader** text is called **Bad Bug**. **Christmas lunch** on Wednesday was wonderful! We enjoyed a festive feast in the hall. The **carol service** in the church on Thursday was brilliant. We loved the service and it was fabulous to witness the Christmas story being told through the eyes of the pupils at Hadlow Primary School. Finally on Friday we held our class **Christmas party**, this is a special reward for all pupils. We start each term with an empty glass jar. When we work together as a team and we all do well, we place a marble in the jar. For the very first time ever, Apple Class have had two whole class rewards this term! Well done amazing Apples!

## Our week in photos...

***"It is sticking to the metal pot."***

*Understanding of the World learning this week has focused on learning about magnetic materials. We have also been learning about toys from the past; we were challenged to sort baby toys and toys we like to play with now as a child. Pupils worked really well in pairs!*

***"I can help you thread that through."***

*This week we have been busy finishing off our beautiful Christmas decorations. Thank you so much for purchasing the decorations and helping us raise vital funds for our PTA. So far we have raised a whopping £222!!!*

***"Look at all these maps that we made!"***

*During play and learn time this week, we have loved looking at our big books. Our Personal, Social, Health and Economic Education (PSHE), Religious Education (RE), Science, History, and Geography lessons form part of our Understanding the World Curriculum. Learning is placed in the big books and pupils can browse through them and discuss them with friends.*

*Check out our photos this week:*
