Apple Class Newsletter

What have we been up to?

Phonics learning this week has focused on the sounds *zz*, *qu* and *ch*. Our **Shared Reader** text is called *A Trip on the Tram*.

Maths learning has focused on the Numberblocks episode *The Three Little Pigs*. We have been learning about the numbers 1, 2, 3 and 4. Partitioning or splitting up numbers has been quite challenging this week, I wonder if you could ask your child to tell you or show you all the ways to make 1, 2, 3 and 4?

Our week in photos...

"I really love reading because it helps me feel calm."

Reading is going from strength to strength in Apple Class! Thank you so much for your continued support at home with this. Some of us are even being brave enough to come to the front and share our reading skills with everyone. Well done super readers!

"My house is in Tonbridge. Look, there it is!"

This week in Understanding the World, we have been learning about the World and where things are. We used Google Earth to find our school and even some of our houses!

"I am just so good at writing!"

During play and learn time all pupils have access to a wide range of engaging and interesting resources. Many children are choosing to write in their free time, creating menus, writing shopping lists, making cards and using the Letter Join resources, both printed and for use on the interactive whiteboard.

Check out our photos this week:
