Apple Class Newsletter

What have we been up to?

Phonics learning this week has focused on the new digraph *ee*, as in the words *see*, *tree* and *green*. Our **Shared Reader** text is called *The Train Set*.

Maths learning this week has continued to focus on the Numberblocks episode *The Whole of Me*. We have been learning about partitioning numbers; splitting them up. Wearing the numberblocks headbands and using cubes, we acted out the episode and we learned a fun song. We have also had a go at writing number sentences. Well done Apples!

Our week in photos...

"It is ok to make a mistake, if we do we can just fix it and try again!"

Understanding the World this week has focused on learning the Christian story of 'Zacchaeus'. We learned the story and then acted it out. Zacchaeus stole money. He realised that he had made a mistake. Zacchaeus said sorry and then shared his money with the poor.

"I go fast!"

Outdoor learning has included some fun investigations this week! The children have been working out different ways to move and negotiate the space. Some children have been using sticks to push themselves along on the skateboards, strengthening their arm muscles in the process!

"I think we should make sure we wear the right clothes so we can stay warm or keep cool."

We have been learning about the seasons this week. Thinking about how the weather changes and what clothing we need to wear; we took part in a fun 'getting dressed for the seasons' game. In groups, we dressed up a character for each season to ensure she was appropriately dressed.
