

Plum Class  
Home  
Learning  
Term 1

**TALK TIME**  
Talk about plants (including trees). How do they change in autumn? Can you name some? Draw a picture or stick in leaves to show what you talked about.

**CREATIVE**  
Choose a poem or nursery rhyme that you like and make a picture to go with it. Perhaps you could say your rhyme to the class?

**PRACTICE MAKES PERFECT**  
Make sure you are confident at counting to 100. Try forward and back. Start from a given number, e.g. 17 and continue on. Try writing numbers in a short number line.

**CREATIVE**  
Make an Autumn picture. Perhaps of the events that occur in this season or maybe a collage with fallen leaves. Let your imagination run wild.

**TALK TIME**  
Talk about the local area in terms of geographical features; woods, fields, shops, houses etc. Ask if they see mountains or beaches in their local area. Make a collage or picture to show what you talked about.

**PRACTICE MAKES PERFECT**  
Make sure you know the days of the week. Can you read, write and put them in order? See if you can remember the song we sing at school.
