

TALK TIME

Talk about weight and comparing which objects you think are lighter or heavier. Can you think of an interesting way to show what you talked about?

CREATIVE

Make a spring plant collage. Try to name some of the plants.

PRACTICE MAKES PERFECT

Use 'Mathletics Live' to sharpen your addition and subtraction skills. Can you get faster?

CREATIVE

Create a magical dragon. This could be a drawing, a painting, a model or even a poem describing your dragon.

TALK TIME

Which is your favourite Julia Donaldson book and why? Draw a picture or write a sentence to show what you talked about.

PRACTICE MAKES PERFECT

Use the phonics booklets sent home over the year to practice your phonics blending.
