## Maths, Term 5

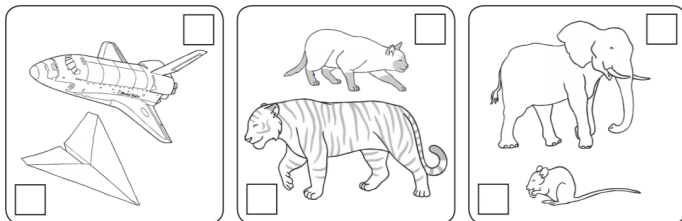

Happiness, Progress, Success!

*Collaboration Creativity Independence Resilience Reflection*

### Maths

- I can compare, describe and solve practical problems for weight and mass.

Tick the heaviest.

Which fruit do you think has the smallest mass and why?

- I can measure and begin to record mass and weight.

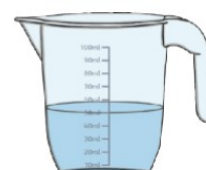

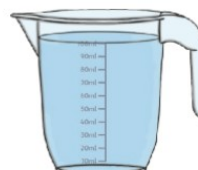

Object	ruler	scissors	glue	shoe	rock
Prediction					
Result	cubes	cubes	cubes	cubes	cubes

- I can compare, describe and solve practical problems for capacity and volume.

Circle the container which is half full.

Which container can hold less? **Circle one.**

Which container can hold more? **Circle one.**

Which container holds less? Please circle.

## Maths

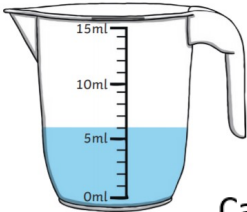

- I can measure and begin to record capacity and volume.

Collect some small containers, a spoon, and some free-flowing material like rice or sand.

Choose a container. How many spoons of the material do you think it will hold? Test to see if you are right.

Container	Prediction	Result
	spoons	spoons

Can you measure this volume of water using a measuring cylinder?

Which sock has the greatest capacity?  
Use the balls of newspaper to find out.

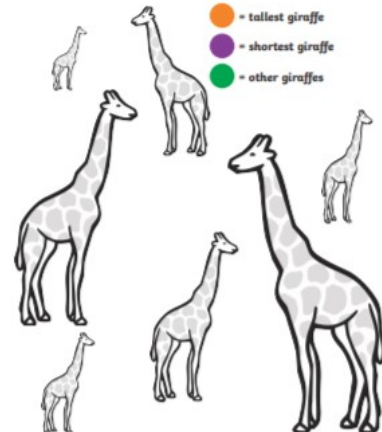

- I can compare, describe and solve practical problems for length and height.

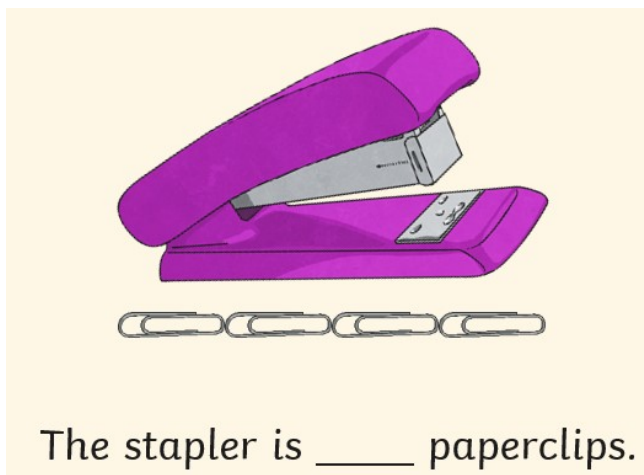

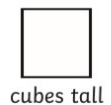

Circle the length that is double the length of this.

Look carefully at the giraffes and check which colour they need to be.

- I can measure and begin to record length and height.
