

Plum Class Learning Journey

Maths, Term 2

Happiness, Progress, Success!

Collaboration Creativity Independence Resilience Reflection

Maths

- I can read, write and interpret mathematical statements involving addition, subtraction and equal signs.

$$15 - 10 =$$

3		+	2		=	
1		+	4		=	

$$2 + 7 =$$

Write the number sentences for each number bonds story.

I have 10 socks.
0 are spotted but 10 are striped.

I have 10 toy cars.
1 is blue and 9 are orange.

I have 10 doughnuts.
2 are plain but 8 are iced.

<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

- I can represent and use number bonds and related subtraction facts within 20.

Rainbow to 10

0 1 2 3 4 5 10 5 6 7 8 9 10

$0 + 10 = 10$	$10 + 0 = 10$
$1 + 9 = 10$	$9 + 1 = 10$
$2 + 8 = 10$	$8 + 2 = 10$
$3 + 7 = 10$	$7 + 3 = 10$
$4 + 6 = 10$	$6 + 4 = 10$
$5 + 5 = 10$	$5 + 5 = 10$

$20 + 0 = 20$ $0 + 20 = 20$ $20 - 0 = 20$ $20 - 20 = 0$			
$19 + 1 = 20$ $1 + 19 = 20$ $20 - 19 = 1$ $20 - 1 = 19$			
$18 + 2 = 20$ $2 + 18 = 20$ $20 - 18 = 2$ $20 - 2 = 18$			

- I can add and subtract one-digit and two-digit numbers to 20 including zero.

Number Bonds to 20

$17 + \square = 20$

Example:

$$4 + 1 = 5$$

$$0 + 16 =$$

Example:

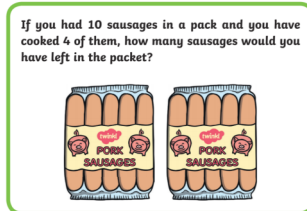

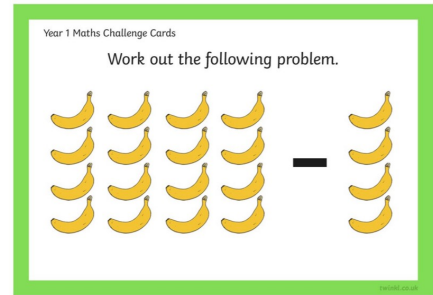

$$10 - 5 = 5$$

Maths

- I can solve one step problems involving addition and subtraction using concrete objects and pictorial representations and missing number problems.

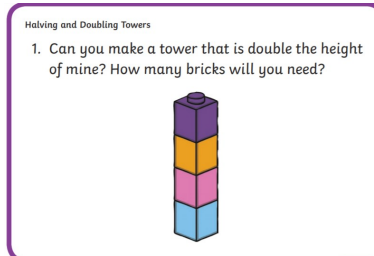

Playdough mat

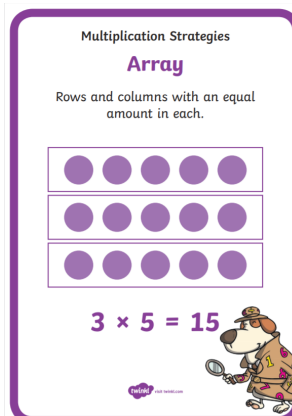

$$\text{★} + 3 = 10$$

$$10 = \text{★} + 8$$

- I can solve one step problems involving multiplication and division by calculating the answer with concrete objects.

- I can solve one step problems involving multiplication and division using pictorial representations and arrays with the support of the teacher.

Plum Class Learning Journey

English, Term 2

Happiness, Progress, Success!

Collaboration Creativity Independence Resilience Reflection

- I can leave spaces between words.

Understand the difference between a letter, a word and a sentence.

Letter	word	sentence
a	and	Beegu was lost and scared.

Count how many words are in the sentence before you write.

- I can begin to use basic punctuation. (. ! ?)

A full stop is used to mark the end of a sentence.

Beegu was lost and lonely.

An exclamation mark is used to mark the end of an exclamation sentence.

What a surprise!

A question mark is used to mark the end of a question sentence.

Can you help me?

English

- I can use capital letters for proper nouns.

Use capital letters for the names of people.

Hansel Beegu
Mrs. Smith Gretel

Use capital letters for place names.

Hadlow London
Tonbridge England

- I can use common plural and verb suffixes.

Use –s or –es for plurals.

Singular	Plural
car	cars
dog	dogs
box	boxes
branch	branches

The red car is shiny.

The red cars are shiny.

The box fell over.

The boxes fell over.

Use the suffixes –ed and –ing where the root word doesn't change.

The cow jumped over the moon.

The cow was jumping over the moon.

Gretel pushed the witch into the oven.

Gretel is pushing the witch into the oven.
