

## TALK TIME

Based upon our conversations during Parent Evening, discuss and set an achievable goal for the term or year. For example, you could reflect on the amount of time spent chatting with friends vs listening or finishing work. You could reflect on how reading each night could help you to progress. Whatever it is, write down what you disused with your family and outline the steps to achieve it.

## CREATIVE

\* This will take some planning:

Build a model (of an appropriate scale) of an Anglo-Saxon house. Use clay, straw, matchsticks, or another material of your choosing. Can you replicate techniques, such as a thatched roof and wattle and daub walls?

## PRACTICE MAKES PERFECT

Get a jump-start on mastering your multiplication and division. Practice double-digit multiplication and long division in your Home Learning Book. **Ask your teacher for copy of the school's calculation policy or use the Learning Journey.** Your parents can use the calculation policy to support and guide you.

# Maple Class Term 2

## PRACTICE MAKES PERFECT

Write a descriptive paragraph (about 1/2 page in length) using the **S.A.D** story Structure. You can choose any topic you like! Use:

- **Setting** description (where/when/ atmosphere)
- **Character Descriptions** (of each important character)
- **Character Actions** (what the characters are doing)
  - **Dialogue** (with inverted commas ( " " )

## CREATIVE

Research all the different types of high-level punctuation. Create a chart or table that not only shows definitions, but also includes an example of each. These marks must consistently be evident in class bookwork if your child is to reach the Expected Standard in Grammar, Punctuation and Spelling this year. Knowledge of these marks will help get us there!

## TALK TIME/ SHOW AND TELL

Research and discuss some of the Anglo-Saxon words, tools, or ways of life that we still use today. Have they changed? If so, how? Discuss what life would be like if we didn't have those things in our society. Record any discussions into your home-learning book.

**Earn 1 point (each) daily if evidence is brought in with signature showing: Spelling, Times Table, French, or a Maths/English skill your child has practiced.**
