

TALK TIME

Research the criteria for a book report and write one for a book you have recently finished.

CREATIVE

Please make a colourful learning tool showing how to add, subtract, and multiply fractions. Make sure to use like and unlike denominators.

PRACTICE MAKES PERFECT

Use word classes (Adj, N, V, Adv) to construct amazingly descriptive sentences. Use these sentences to construct a paragraph. Use Wolf Brother as your inspiration.

Maple Class Term 3

PRACTICE MAKES PERFECT

For every spelling test you score 8/10 or above, you will have your name put into the prize pot. Start practicing!

CREATIVE

Create your own animal that could live in the forest. Think about its habitat, the climate, and any factors which would make the animal look or behave a certain way. Justify these adaptations by explaining them. Please also include a picture of your animal.

TALK TIME/ SHOW AND TELL

Research famous quotes from books and discuss the meaning of those that appeal to you. Choose your favourite and make a poster. If your effort is outstanding, we will laminate it and hang it in the book corner!
