

**TALK TIME
Science**

Please discuss the various theories connected with evolution.
What are your own views?
Do you agree with Charles Darwin's theory?

**CREATIVE
Art/DT**

Please make an Ancient Greek prop or model, you may want to make a temple, a pottery design, a piece of jewellery or a shield.

**PRACTICE MAKES PERFECT
Maths**

Please make a colourful poster or leaflet showing equivalent fractions, decimals and percentages – challenge yourself, see how many you can find!

**CREATIVE
History/English**

**Whole Term Project:
Ancient Greece**

You may want to create one or more of the following: leaflet, poster, non-fiction book, fact file, annotated picture or even a model to enhance your learning – be creative and have fun!
There will be a prize for the best project!

**Rowan Class
Home Learning
Term 4**

**TALK TIME/SHOW AND TELL
History**

Please take time to research a famous Ancient Greek personality: an inventor, an author, a great thinker/philosopher, an artist, an author or a King/warrior.
Be ready to present your research findings to the class.

**Week 5:
PRACTICE MAKES PERFECT
Revision**

Please start/continue to think about revision for your SATs exams. Think about the targets outlined in your mid-year report - what do you need to work on?
How are you going to achieve success?
