

The 12 days of Christmas

- 1) Have a day without technology!
- 2) Write a letter to Santa, either send up the chimney or pop in the letter box - don't forget to add your address
- 3) Visit the library to share a Christmas picture book
- 4) Visit a relative/friend and tell them something you did in school this term
- 5) Learn a Christmas poem by heart
- 6) Make something to 'give' to a friend or relative, e.g. card, picture, snowflake, tree decoration
- 7) Read the TV guide and find a Christmas programme for the family
- 8) Make beautiful table place names for Christmas dinner
- 9) Go for a Christmas lights walk
- 10) Read the instructions for a board game and play it with your family
- 11) Create natural decorations and hang outside
- 12) Read a recipe and make some festive food

Your challenge this Christmas is to complete ALL of the activities. Simply highlight/tick the activities as you manage to achieve them. You can do them in order or in a mixed order; it's completely your choice!

If you want to, you could create a '12 Days of Christmas' journal to share with your class. This could include cut outs, photos and captions. Any children that make the extra effort to do this will receive a House Point ☺

Good luck and Merry Christmas!
