

Parent Partnership Agreement

Hadlow Primary School

At Hadlow Primary School, staff and children follow three simple but fundamental rules:

These ensure that all members of our school family are safe and happy, make great progress and have limitless opportunities for success. You are part of this family and by choosing Hadlow Primary School; you are making a commitment to support the school and your child in their educational journey. A visible and genuine partnership between home and school is imperative to ensure that your child has the [happiness](#), [progress](#) and [success](#) that they so truly deserve.

As a parent, in partnership with Hadlow Primary School, I value my child's Happiness, Progress and Success.

I, the parent/carer will therefore endeavour to:

- Consistently follow the school uniform policy to ensure that my child is always smartly and suitably dressed.
- Prepare my child for each school day with the items that they need; e.g. fresh drinking water, school bag, PE kit etc.
- Achieve at least 96% attendance and ensure that my child arrives at school by 09.00 a.m.
- Fully support the staff and school's approach to behaviour for learning, using the bespoke Behaviour Blueprint.
- Communicate with staff teams calmly and kindly at all time, role modelling expectations to children.
- Keep up to date with all school information and events by making efforts to read and/or discuss information in newsletters and ParentMail,
- Always follow the Parent and Visitor Expectations policy onsite, offsite and online.
- Support my child with all essential home learning tasks and endeavour to complete recommended and optional activities when possible and/or relevant.
- Attend Child Learning Reviews and support sessions to keep up to date with the best ways to further support my child.
- Celebrate the successes of my child by attending special events held in school, such as performances and class events.
